

DAN BURDEN
Built Environment Expert

Your Voice Matters: Join Blue Zones Built Environment Expert Dan Burden and Share Your Vision for the Village of East Aurora

The Village of East Aurora is hosting three community events with Dan Burden, including an open house, a public presentation, and a hands-on walking audit. Each is a chance to share your experience and help make the village safer and more connected for everyone.

How do you experience the Village of East Aurora? Click the link above or scan the QR code to share your perspective on the streets, sidewalks, and public spaces that make up everyday life in the village.

Event 1 of 3

MONDAY

Meet Dan Burden: Community Open House

Monday, July 6, 2026 | 5:00 to 7:00 PM | Aurora Municipal Center, 585 Oakwood Ave

Join us in welcoming Dan Burden before the Board of Trustees meeting and share your thoughts about the Village of East Aurora.

Come meet Dan Burden, a nationally recognized built environment expert who has helped hundreds of communities make their streets safer and more walkable. Stop by, introduce yourself, and share what you love about the Village of East Aurora along with your ideas for improvement.

Free to attend. ADA accessible. No RSVP required.

Event 2 of 3

TUESDAY

Community Presentation: Making Walking and Biking Safer and More Inviting

Tuesday, July 7, 2026 | Presentation 7:30 to 8:30 PM, Planning Commission Meeting follows | Aurora Municipal Center, 585 Oakwood Ave

A public presentation on Blue Zones principles and best practices from other communities to help enhance the Village of East Aurora

Dan Burden shares proven strategies for safer, more connected streets and how they could apply to the Village of East Aurora.

Free to attend. ADA accessible. No RSVP required.

Event 3 of 3

WEDNESDAY

Community Walking Audit and Workshop

**Wednesday, July 8, 2026 | Walking Audit 5:30 to 6:30 PM, Workshop 6:30 to 8:00 PM
Meet at Aurora Municipal Center, 585 Oakwood Ave**

A hands-on walk through the Village, followed by an interactive workshop

Join Dan Burden to explore East Aurora on foot and see firsthand how the streets, sidewalks, and public spaces function for everyday life. Share your experience along the way, then stay for the workshop to help turn what we find into real ideas for safer, more connected routes.

Free to attend. ADA accessible. No RSVP required.
